Re: Application of FTC Diversified Services, Inc. for a Certificate of Public Convenience and Necessity to Provide Local Exchange and Exchange Access Service to Customers in the State of South Carolina and for Alternative Regulation of Interexchange Telephone Services.

Docket No. 2009-202-C

Dear Mr. Terreni:

The South Carolina Office of Regulatory Staff ("ORS") has reviewed the Application filed on May 21, 2009 by FTC Diversified Services, Inc. ("Company"). The Company is proposing to expand its services statewide to all customers located within the State of South Carolina. The Company also proposes that its interexchange business service offerings, consumer card services, and operator service tariffs not be required to state maximum rate levels and that such tariff filings be presumed valid upon filing with the understanding that the Commission has the right within seven (7) days to establish an investigation of the tariff filing. ORS does not oppose the Company's requests.

Please do not hesitate to call with any questions or concerns.

Respectfully submitted,

C. Lessie Hammonds
